BIRD BIODIVERSITY & TOURISM

International Conference on

Bird, Biodiversity and Tourism

1) *Tour starts from Colombo : 4.30 am.*

Get up early! After a couple of busy days, now it's the time for the post conference tour.

2) *Arrive at Sinharaja : 8.30 am*

Guess what? Bird watching in this ecosystem is particularly interesting because it is home to 95% of the endemic birds of Sri Lanka! Named as a world heritage site in 1989, this lowland evergreen rain forest is steeped in deep legend and mystery. The word 'Sinharaja' means, Lion (Sinha) King (Raja), and it is a popular belief that the legendary origin of the Sinhala people is from the union between a princess and the lion king who once lived in the forest.

3) *Breakfast @ Sinharaja : 8.30 am – 9.00 am*

4) *Enter in to the Forest*

Keep in your mind when you enter to this world heritage site "Just leave your foot prints, and nothing else! Bring back everything you take in, leave only the memories"

5) *Entrance tickets:*
